A SUMMER UPDATE FROM
DAVID LUTHERAN CHRISTIAN PRESCHOOL

Charlotte D. Nau

From the Director

I hope everyone is having a wonderful summer and enjoying the simple pleasures that summer brings. We are busy at the preschool. The school will be getting painted next week, the toys have been cleaned and teachers are busy planning for the 2008-2009 school year. Teachers will be receiving their class lists the first week of August and will be calling you to set up conference times. These conferences are very important. Your child will get to meet their teacher, find their cubby and check out the room. You will get to make any corrections to your paperwork and have time getting to know the teacher. Remember, paperwork is due at the school by August 1st.

It is with a heavy heart that I need to tell you I will not be returning this year as your preschool director. My husband is in the process of buying a business in Rhode island and we will be relocating there in late August. I am sad to leave all the wonderful people and children I have met through the last five years and know I will carry many wonderful memories in my heart forever.

You all have been wonderful to Me! Being the director at DLCP has been my passion and I hope you all have enjoyed the years with me.

I am excited about our move, I'll only be an hour away from my oldest daughter, parents and sister. Having always been so far away from family, this will be a blessing for us.

Anyone who knows me knows how much I love the ocean and the beach. Well, the ocean will be right out my back door and I will go to sleep every night with the lighthouse moaning! I have a feeling my seashell collection is about to grow!

I realize any change is hard, but I have the utmost faith in Pastor Randy and the search committee. No one is indispensable and life will go on at DLCP and it will con-

tinue to be a wonderful program. I will carry you all in my heart forever.

Sincerely in Christ,
Charlotte

Is it even possible that we could be thinking about school starting already? As we all are (hopefully) enjoying our summer

Is it even possible?

A column by DELC Pastor, Randy O'Donnell

break, here at David Lutheran, we are already thinking about September. With this fall will come some changes to all of us- new learnings, new opportunities, and even a new director here at David Lutheran Preschool –plus, remarkably, our children will be a year and grade older. We all wish Charlotte great blessings as she takes the opportunity to return to her family in the New England area. We

are also looking with anticipation to the new school year and all the smiling faces once again in our building. Blessings to you in the remainder of this summer and see you soon!

Did I pay this month's tuition?

Instead of wondering and worrying if you've paid or if you will acquire a late fee, sign-up for automatic deduction from your checking or savings account. This service is free of charge and would eliminate the need for you to remember. Forms are in your preschool packet.

ATTENTION PARENTS!

Just a reminder that ALL paperwork is due into the preschool office by August 1st! Please read through the instructions on how to properly fill the forms out.

Teachers will be contacting families the first part of August to set up a conference time during the last full week of the month.
